About STENOCARE A/S

STENOCARE A/S was founded in 2017 with the purpose of being an active participant in the Danish medical cannabis pilot program. The company was first to receive the Danish Medicines Agency's permission to import, distribute as well as cultivate and produce medical cannabis. The company offers medical cannabis oil, which is produced by hygienic and high technology cultivation that comply with the strict Danish regulatory requirements. STENOCARE is also developing a separate production facility for the cultivation and production of medical cannabis at the company's premises in Jutland, Denmark.
